

# Macon County 4-H

Winner of our June Virtual Pet Show Photo Contest:  
Lily Powell. Say hello to Scout and Frank

July 2020

## July Club Dates

In response to the spread of Covid-19, we currently are not able to provide face-to-face activities such as group club meeting and our Summer Relief day camps.

We received news this week that North Carolina 4-H will begin a slow opening of 4-H activities once we transition into Phase 3 of Governor Cooper's plan.

As soon as Phase 3 is in effect, we will open on site activities for 11-18 year olds. As we go into the fall, we will open activities for younger 4-Hers as our State Program leaders determine them to be safe.

We appreciate your patience during this time and cannot wait to get back to seeing our fun friends.

July 13 – EPICS Youth Council by Zoom  
6:30

## Congrats to our 2020 District Activity Day Participants

Sarah Young: Environmental Science 11-13 – Gold

# 4-H Fun in July

## 4-H Market Lamb Club

It is lamb time in Macon County. Our 4-H Market Lamb Club received their lambs in June and are busy feeding them, walking and grooming their project animals. Let's cheer them on as they get ready to show this fall.

## Made It With 4-H

In July, we will be making crafts because 4-Hers love to create with their hands!

During this month, we will have 4 crafts – one per week. They will be:

Week 1: A watermelon bead buddy

Week 2: Thread friends

Week 3: Dragonflies

Week 4: "Clover" Potted Pet

Materials for each project will be provided free by mail (except for the Clover pet – pick up at Extension Office). You must call (349-2046) and let us know by Monday of each week if you would like to receive that week's kit. (If you know you want to do all 4 craft – just let us know on your first call). Directions will be provided so that you can make the craft by yourself or you can join us online on Thursdays at 10:00 to craft together. Younger kids will have to have help with each of these activities.

## Remember our 4-H Virtual Summer Programs
