Club Dates

In response to the spread of Covid-19, we currently are not able to provide face-to-face activities such as group club meetings.

As soon as Phase 3 is in effect, we will open on site activities for 11-18 year old youth. As we go into the fall, we will open activities for younger 4-Hers as our State Program leaders determine them to be safe.

We appreciate your patience during this time and cannot wait to get back to seeing our fun friends.
