Macon County 4-H Reopening Plan

We are ready to get back to 4-H business!
We have missed you and all of the creative fun you bring to 4-H!

It is important that you and your parents decide when is the best time for you to come back to 4-H activities. Different families will be on different schedules to join face-to-face activities.

Here are some steps we will use to help keep us all healthy and safe:

1. Different clubs and club leaders will restart based on their own timing and health decisions.
2. We will check temperatures at the door and require masks for all activities
3. You will need to sign up ahead of time before a meeting to attend. We cannot have unplanned attendance at this time.
4. All participants will be asked to wash hands on entering the building and before going back to your car.
5. And of course, we ask that anyone who feels sick to not come to meetings.

Thank you for helping us stay safe and healthy.

Congratulations to our Livestock 4-Hers. Way to show off those goats, lambs and cattle!!

During our livestock show at the end of September, 31 Macon County 4-Hers showed off their hard work this year. Some of these presenters had over a year of work in their show animal. Let's congratulate them on their hard work and achievements!
